- 1. Council to discuss with the Fort Bend County ESD #6 transitioning of the Village of Pleak Fire Department to the ESD #6 scheduled for January 1, 2017 to include equipment, trucks, and documentation.**

The Council would like to invite the ESD to a workshop to devise an action plan for the ESD to transition the Fire Department from the Village of Pleak to the ESD. Fire Chief Jordan Blegen believes that a January 1, 2018 would be a much more realistic date for the ESD to take over the Fire Department.

- 2. Council to discuss Woodmere Development's purchase of Hawkeye Ranch and Mud #157.**

The item was not discussed because no documents were received from Woodmere Development.

- 3. Adjournment**
